Product Amplimesh® Screen Cleaner

Capral is committed to provide ongoing support to our Amplimesh® Dealer Network and we are pleased to have teamed up with Aelin Organics to produce the very first organic security door and screen cleaner to care for your Amplimesh® products. Made from 100% organic ingredients, our new security screen cleaner is free of parabens, phthalates and other unnecessary or harmful ingredients making it an obvious choice.

Material Number	Description
323540	Amplimesh® Screen Cleaner (boxes of 12). Sold individually.

To assist with the promotion of the new Amplimesh® Screen Cleaner we have prepared the following resources:

- A distributor flyer for dealers with product codes and ordering details.
https://amplimesh.com.au/wp-content/uploads/2021/10/Amplimesh_SecurityScreenCleaner_OrderDetails.pdf
- A Retail point of sale flyer for Amplimesh® Dealers to provide their customers, which includes a QR code for warranty registration.
https://amplimesh.com.au/wp-content/uploads/2021/10/Amplimes_POS_ScreenCleaner_flyer.pdf

Stock

The Amplimesh® Screen Cleaner is now available in selected locations.

Technical Notes

The details of the new Amplimesh® Screen cleaner will be added to the Amplimesh® OneFrame® and Supascreen® manuals in future updates.

Please contact your local Capral representative for further information.

Regards,

**Salim KoKo**
